February 2009

There were **14** residential burglaries during the month of January, with **0** occurring at an active Block Watch residence.

I author a residential burglary report every year and thought you might be interested in the year-end results for single-family home burglaries in our city.

Total Number of Residential Burglaries: 291

Total Number in Active Block Watch Residence: 3*

(*Should be noted that the accounting of Block Watch-affected areas are now residence-specific, as opposed to counting the whole neighborhood. This will allow for a more accurate reflection of the program's benefits for those who attend a Block Watch meeting.)
